We partner with corporate teams and organizations with people on the front lines to learn what to look out for, how to stay safe & how to take a stand.

We provide trainings for local communities, faith communities & small to medium sized organizations to prepare and take action against human trafficking.

We're always looking for dedicated and committed individuals to be a part of our team. Sign up for our volunteer team to learn more.

We can't do this alone! Become a trainer and ensure your communities are doing all they can to be a part of the solution.

FOUNDATION

BECOME A VOLUNTEER:

Volunteers are the vessels at the heart of our organization! We are grateful for the opportunity to serve and partner with individuals and businesses dedicated to being a helping hand in the community. Dedicated volunteers are what make the programs and events we put on a success! If you are looking for a place to give back through your time, efforts, and talents, please fill out Seed Life's Volunteer Application or contact us at volunteers@seedlifefoundation.org. Please be advised that some volunteer positions will require a background check before approval. Once submitting your application, you will be contacted for further steps to completion. Here are a few of Seed Life's Foundation programs:

Youth Ambassadors

It takes a nation to heal and raise a generation. Our Youth Ambassador program focuses on bringing awareness to Human Trafficking, Teen Dating Violence, Bullying and Child Safety. All ages ranging from 5-24 years old are invited to be apart of our YAP Program to learn and help spread awareness to our local communities and schools.

Snack Packs

Snack Packs was created with the intentions of eliminating food scarcity in Georgia. We work around the clock to provide Snack Packs to local campuses and universities serving college students, families, and those in need. We provide a variety of healthy food and snacks to our local community and partners. Volunteers are always needed to help pick up, drop-off and pass out snack packs!

Youthpreneurs

We're calling all Youth Entrepreneurs! Our goal is to encourage, prepare and provide support to our youth entrepreneurs. We partner with our community, partners and local businesses to provide the resources needed to help fund and maintain the businesses of our Youthpreneurs. All businesses and organizations are welcome to join us in aiding our youth entrepreneurs.

College Readiness

It's time to equip high school seniors and juniors with resources and direct mentorship to prepare for life outside of high school. Whether they're unsure or certain, we partner with local organizations, careers and entrepreneurs to provide informational sessions for those interested. You wouldn't want to miss it!
